CONSULTANT

ADVANCED DESIGNS UNIT

**BUSINESS HISTORY** Lindsay Cigler is a consultant for Pacific Life's Advanced Designs Unit, a highly recognized team of advanced market experts, comprised of five attorneys who specialize in advanced planning concepts that involve the sale of life insurance. She serves as a resource for life insurance producers and financial professionals in answering questions and assisting with the structuring of advanced planning concepts involving life insurance. Lindsay also conducts research and creates marketing materials on advanced planning strategies, as well as prepares presentations and speaks on advanced planning topics, including estate and business planning.

**GENERAL** Lindsay Cigler joined Pacific Life's Advanced Designs Unit in 2017. Prior to joining Pacific Life, she was an associate attorney at a law firm in Newport Beach, California, focusing on advanced estate planning for high net worth individuals.

Lindsay graduated from Pepperdine University's Seaver College with an undergraduate degree in Public Relations and a concentration in Psychology. During her undergraduate studies, Lindsay spent a summer taking classes in Washington, D.C., and working in Congress. Lindsay earned her Juris Doctor degree (J.D.) from Pepperdine University's School of Law. While at the School of Law, she worked at the Pepperdine Legal Aid Clinic and participated in the London Program, spending a semester studying in London. Lindsay is a member of the State Bar of California, United States District Court (Central District of California), American Bar Association, and the Orange County Bar Association.

Outside of work, Lindsay enjoys traveling, cooking, and spending time with her family and friends.
