

NFC Wristband art template

Decoration: Screen printing

Max decoration size: n/a

Pantone:

Approving this virtual proof gives us the authorisation to use this logo in our production facilities, to reproduce it according to the purchase order placed with us and to import/export goods customized and decorated with this logo.

The artwork shown here is a visual representation of the product decoration. Actual decoration may be slightly different in color, size and location. You approval is for the artwork, copy, spelling as well as decoration method and location.

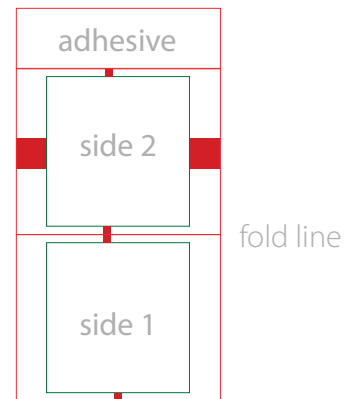

Wristband dimensions: 7" x 0.78"

Middle element: 1.063" x 0.86" - allow margins left/right: 0.15" and top/bottom: 0.039"

Design notes:

- Please leave 1/8 bleed for graphics that extend to the full height of the band.
- Consider the safe area at the end of the wristband and please don't place any important elements within this area as they will be covered by the center element.

Center Piece

We recommend using one of these symbols for the NFC tap section of the wristband:
