

RILEY THORNBURG

LIFE INSURANCE DIVISION

SR. COMPETITIVE INTELLIGENCE DATA ANALYST, MARKET INTELLIGENCE

EDUCATION B.S., Mathematics
University of California, Irvine

BUSINESS HISTORY Riley Thornburgh began working at Pacific Life in 2012. He spent two years working as a Case Owner in New Business Services and one year in Product Design as a Product Research Analyst. In 2015 he joined the Competition Unit as a Product & Competition Analyst. His primary functions include benchmarking and positioning products and analyzing internal and industry sales data. He also helps both producers and recruiters in competitive situations and with general product information.
