Pacific Life Insurance Company is licensed to issue insurance products in all states except New York. Product/material availability and features may vary by state.

Pacific Life Insurance Company's individual life insurance products are marketed exclusively through independent third-party life insurance producers, which may include bank affiliated entities. Some selling entities may limit availability of some optional riders based on their client's age and other factors. Your life insurance producer can help you determine which optional riders are available and appropriate for you.

The primary purpose of life insurance is death benefit protection against premature death of the insured.

Life insurance is subject to underwriting and approval of the application and will incur monthly policy charges.

Any policy withdrawals, loans and loan interest may/will reduce policy values and may reduce benefits.
